

## **Information Literacy Framework**

- · Extremely early part of a process
- · Period of extreme change
- Whole of curriculum renewal process

Claire Brooks Latrobe University Page 2

# **Information Literacy Framework**

- Based on International Information Literacy standards
- To be implemented collaboratively across the university by and with librarians, academics, other teaching and learning staff, such as skills advisors
- · Aligned to the curriculum

Claire Brooks Latrobe University Page 3

# **Information Literacy Framework**

The American Library Association states that information literacy is 'a means of personal empowerment. It allows people to verify or refute expert opinion and to become independent seekers of truth.'

#### **Information Literacy Framework**

If a person is information literate they have "learned how to learn, they know how knowledge is organized, how to find information and how to use information in such a way that others can learn from them. They are people prepared for lifelong learning"

ALA, 1989

Claire Brooks Latrobe University Page 5

#### **Information Literacy Framework**

- Recognise a need for information, determine the extent of information needed, and access information efficiently
- Critically evaluate information and its sources
- Classify, store, manipulate and redraft information collected or generated

Claire Brooks Latrobe University Page 6

# **Information Literacy Framework**

- Incorporate selected information into their knowledge base, and use information effectively to learn, create new knowledge, solve problems and make decisions
- Understand economic, legal, social, political and cultural issues in the use of information and access and use information ethically and legally

Claire Brooks Latrobe University Page 7

### **Information Literacy Framework**

- Use information and knowledge for participative citizenship and social responsibility
- Experience information literacy as part of independent learning and lifelong learning

( extract from Australian and New Zealand Information literacy framework, Bundy, A (ed), 2004)

# **Information Literacy Framework** Latrobe version

- 1.Recognises the need for information and determines the nature and extent of the information needed
- 2. Finds needed information effectively and efficiently
- 3. Critically evaluates information and the information-seeking
- 4. Manages information collected and generated
- 5. Applies prior and new information to construct new concepts or create new understandings
- 6. Uses information with understanding and acknowledges cultural, ethical, economic, legal, and social issues in the use of information (Sheridan et al, 2008)

# **Information Literacy programs**

Previous attempts: Artsmart (University of Melbourne)

Traditional format

Parallel rather than embedded

# **Information Literacy Framework**

Implementing the framework at Latrobe

- · Embedded in the curriculum
- · A process not a product
- · Constructively aligned
- · Engaging, active learning, authentic tasks including role play, and student generated content.

Claire Brooks Latrobe University Page 11

#### **Questions and issues:**

- Do specific cultural groups have specific needs in relation to information literacy?
- Should the process of enculturation be a two way process?
- · How might assessment methods and teaching methods change in future?
- Is academia or 'scholarly' viewpoint irrelevant or unhelpful for students today?

# Example title for notes and handouts

#### **Questions and issues:**

- How might the information literacy needs of enquiry based learners be met?
- How will new technologies impact on information, knowledge and the info literacy needs of students?
- How are new technologies impacting on ideas of plagiarism and knowledge creation?
